## FORMAT

- Twelve players per team (six in Pool A and six in Pool B). Pool A is 9 and under handicaps, Pool B is 10 through 17. Pool A will play from the blues while Pool B will complete from the whites.
- Free agents, if they earn enough points, may knock out players that have a team allegiance and take their spot in the Cupp Cup. If a free agent earns enough points to qualify for both teams, the defending champion (Team Wes) has the option of taking this player or passing him to the other team who must take him. If there are two or more free agents that qualify points wise, the option of keeping or passing will alternate between teams.
