

# 2017 CUPP CUP LAYOUT & QUALIFYING

## DATES

- The Cupp Cup will be either the first or second weekend of October. The social will be the Friday evening with the event on Saturday and Sunday.

## ELIGIBILITY

- Any Rome Country Club member that is at least eighteen years old and is in good standing with the club. The golfer must also have an official club handicap that is 18 or under from the white tees at the September 1<sup>st</sup>, 2017 handicap revision to qualify via points. If captain's picks are necessary, a player with a handicap higher than 18 may be chosen if desired.

## FORMAT & QUALIFYING

- Twelve players per team - six in each respective pool (Blue and White). The Blue Pool will be for handicaps 8 and under, White is 9-18. The pools will play from their corresponding tee colors. Each player will have three matches over the weekend.
- Free agents, if they earn enough points, may knock out players that have a team allegiance and take their spot. There is no minimum or maximum number of free agents that are required to qualify. If a free agent earns enough points to qualify for both teams, the defending champion has the option of taking this player or passing him to the other team who must take him. If there are two or more free agents that qualify points wise, the option of keeping or passing will alternate between teams.
- Friday night's social event will be from 6:00 until 8:30. Day One's pairings will be released along with team photos. The losing team from the previous year is responsible for providing appetizers.
- Saturday: 18 hole best ball in the morning, 18 hole alternate shot in the afternoon. If inclement weather, the matches may be shortened.
- Sunday: All pools will play 18 hole singles matches in foursomes. If rain makes Sunday's finish impossible, then the matches will be awarded points as they stood when the play was stopped.
- Once you have played for either team, you are that team's property unless traded.
- Only Captains, Assistant Captains, and the teammate playing in the same group are allowed to give advice.
- 24 total points available. 12.5 points needed to win the Cup.
- Price per competitor is \$100 (\$75 for cart members) and includes carts for the weekend. \$100 will be paid to each player on the winning team at the conclusion of the event.
- There is a \$5 fee for point earning.
