

2021 CUPP CUP LAYOUT & QUALIFYING

DATES

- The Cupp Cup will be the last weekend of September, the first weekend of October, or the second weekend of October. The official practice round and social will be the Friday afternoon and evening with the event on Saturday and Sunday.

ELIGIBILITY

- Any Rome Country Club member that is at least eighteen years old and is in good standing with the club is eligible. The golfer must also have an official club handicap that is under seventeen from the white tees at the September 1st handicap revision to qualify via points. If captain's picks are necessary, any player that has membership status is eligible.

FORMAT & QUALIFYING

- Twelve players per team - six in each respective pool. The Blue Pool will be for handicaps 8 and under, White is 9-17. Each player will have three matches.
- Free agents, if they earn enough points, may knock out players that have a team allegiance and take their spot. There is no minimum or maximum number of free agents that are required to qualify. If a free agent earns enough points to qualify for both teams, the defending champion has the option of taking this player or passing him to the other team who must take him. If there are two or more free agents that qualify points wise, the option of keeping or passing will alternate between teams.
- Friday afternoon's official practice round will commence at 12:00, unless weather dictates otherwise.
- Friday night's social event will be from 6:00 until 8:30. Day One's pairings will be released along with team photos. The losing team from the previous year is responsible for providing the food.
- Saturday: 18 hole best ball in the morning, 18 hole alternate shot in the afternoon. If inclement weather, the matches may be shortened.
- Sunday: All pools will play 18 hole singles matches in foursomes. If rain makes Sunday's finish impossible, then the matches will be awarded points as they stood when the play was stopped.
- Captain's Match. The captains will play a singles match for one point on Sunday.
- Once you have played for either team, you are that team's property unless traded.
- Only Captains, Assistant Captains, and the teammate playing in the same group are allowed to give advice.
- 25 total points available. 13 points are needed to win the Cup.
- Price per competitor is \$100 (\$80 for cart members) and includes carts for the weekend. \$100 will be paid to each player on the winning team at the conclusion of the event.
- There is an additional \$5 fee for point earning.
